SUBJECT: Membership status – Polish Cheerleaders Association

To whom it may concern,

Hereby, the European Cheer Union (ECU) confirms that Polish Cheerleaders Association is an associate member of the ECU.

The ECU Board, according to the ECU Statutes, has granted the status of associate membership to PCA.

The associate membership relates to the agreement signed with the full ECU member Polish Federation of Dance (PFT), which was signed by both federation President in March 2016.

As an associate member, PCA is obliged to pay the yearly membership fee to ECU.

As an associate member, PCA has the rights to:

- Participate as observer without voting rights at the ECU General Assembly
- Participate in ECU sports related events such as rules conference and other courses
- Participate according to the agreement with teams in the ECU Europeans. The participation includes that PCA can send the registration of their teams directly to the organizer of the Europeans as well as organize the payment of participation fees directly with the organizer. This being the most practical way for both parties.

Yours faithfully,

Aljaž Britvič
ECU President
